

**deconstructing the  
Coliseum**

Invites you to the **THIRD ANNUAL GREAT EDUCATION FORUM**

**April 29, 2017 at 1p (E)**

This much-needed event will be hosted by the **New Geneva Christian Leadership Academy in Appomattox, VA.** **Admission is free, but please RSVP: [KRN@Reagan.com](mailto:KRN@Reagan.com)**

**The Third Annual Great Education Forum** is an annual event, sponsored by Deconstructing the Coliseum, where a provocative education question is addressed. The first two Great Education Forum years there was informal debate. This year is a special format, highlighting special speakers:

Rev. Dr. Paul Michael Raymond [New Geneva Christian Leadership Academy]; Rev. E. Ray Moore [Exodus Mandate Project]; Bill Potter [Historian]; Scott Alan Buss [Fire Breathing Christian]; Kevin R. Novak [Deconstructing the Coliseum]

Please join us for a God-honoring afternoon of celebrating the Protestant Reformation's 500-year anniversary, in light of "public education" in America, and the civil government school system's destruction of Christianity. Where is the Protestant Reformation now in America, after one hundred fifty years of civil government schools? How much has the civil government school system undermined Reformed doctrine, through our children? How do we return morality, culture, and politics to Christ-centeredness, through education?

**Location:** New Geneva Christian Leadership Academy  
222 Harrell Street  
Appomattox, VA
