LYNCHBURG, Va., August 18, 2018 /Christian Newswire/ -- On **Saturday, August 18, 2018** in Appomattox, Virginia, the Fourth Annual Great Education Forum will be held, sponsored by Deconstructing the Coliseum ("DtC"), the organization that promotes abolishing the public school system. The Forum will be at New Geneva Christian Leadership Academy, which is owned and operated by the Rev. Dr. Paul Michael Raymond. New Geneva is located at 222 Harrell Street in Appomattox, VA. The Forum starts at 11:00 am (EST) and ends at 5:00 pm. **There is no charge to attend the Forum.**

This year's Forum will be addressing **Leadership in Christian Education**. There will be five Forum speakers: Scott Alan Buss (Fire Breathing Christian); Historian Bill Potter (Landmark Events); Reverend Doctor Paul Michael Raymond (New Geneva); Pastor Travis Witt (Virginia First Foundation); Jay Jusino (Author, *Truth is Fallen in the Street*). Rev. E. Ray Moore (Director, Exodus Mandate Project) will be the emcee.

Those unable to attend in person can watch the entire Forum live on Sermon Audio, via this link: www.sermonaudio.com/source_detail.asp?sourceid=hisglory

DtC is owned and operated by attorney Kevin R. Novak, whose organization established the annual Great Education Forum as a way of bypassing what he calls the Christian Establishment: Christian leaders who refuse to discuss and debate whether the Bible justifies the existence of civil government schools. "The Forum, just like home school conventions, is a great way to speak to people directly, instead of having to deal with a Christian leader, who likely thinks the public school system can be reformed and that it is okay for the civil government to disciple children. But public schools cannot be reformed because they should not exist. The public schools are 100% responsible for the American decline."

Mr. Novak released a book two years ago called *Abolition: Overcoming the Christian Establishment on Education*, in which he detailed how the Bible does not justify force and coercion to advance humanism or Christianity. "The book builds on those who wrote before me on abolition and adds some new ideas to how we are accomplishing it."
